

INSTRUCTORS

Dorothy Yard, Horticulture Instructor

A native of Western Pennsylvania, growing up on a small farm, where flowers were prolific, and having window sills overflowing with plants in the winter months was the norm. During the growing seasons, flowers and trees/shrubs of all kinds were tended and revered as much as the vegetables and fruits.

Currently, Dorothy serves as Chairman of the National Garden Club, Inc. Flower Show Schools Committee. She enjoys gardening, church activities, grandchildren, solving puzzles and doing needlework. Co-habits with one cat, Barney, but only when he chooses. Exploring the United States and beyond has been an added bonus to being involved in the NGC FSS program, with opportunities to travel in all fifty states, while teaching in thirty-eight.

Graduate of California State College, BS Ed. Mathematics
West Virginia University, MA Counseling & Guidance
Past President of the Garden Club Federation of Pennsylvania
Five Star Member of NGC, Instructor for Flower Show Schools and Symposium for NGC, Inc.

If we all did the things we are really capable of doing, we would literally astound ourselves!

Elaine Gunderson, Design Instructor

A resident of Sedona, Arizona, Elaine grew up in Oklahoma surrounded by flowers as her grandmother and mother were members of Tulsa Garden Club and flower show sweepstakes' winners. She is a graduate of Michigan's Wayne State University with a BSN. Currently, she is an NGC Master Flower Show Judge, an NGC Instructor for Design, an NGC Master Gardening Consultant, an NGC Master Landscape Design Consultant and is on the Pacific Region Garden Clubs, Inc. and Arizona Federation of Garden Clubs, Inc. boards. Elaine served on the National Board for 16 years in many capacities. She is a former 2001-2003 President of Arizona and former NGC 2013-2015 Pacific Region Director.
